

Multi-Cultural Week: TY, You bought Hawaiian!

By Trisha Sen, Mission: SOS

Hi everyone! Multicultural week was a great success for the S.O.S. team's fundraiser, in which we sold delicious plates of Hawaiian BBQ and rice from Ohana. We'd like to thank everyone who bought some Monday through Thursday, and we appreciate the support. We would also like to extend a big thank you to everyone who made this possible; to Mr. Larsen and Ms. Prairie for getting the food to campus and the students who helped with set up, serving, and clean up: Alex, Dipti, Moriah, Dita, Cecilia, Alexis, Trisha, Sam, Monil, and Chirag. Also, congratulations to all the team members who participated in the Multicultural assembly; the performances were spectacular! Again, thanks to everyone and we hope to see your continued support next year.
